Hubert, Spellman Spark Victories

Torrance and South Torrance's all-star baseball teams moved into the semi-finals of the Southern California Municipal Athletic Federation (SCMAF) tournament Friday by posting respective 6-3 and 14-0 wins over Rosemead and Monterey Park.

Carey Hubert took his position on the hero's stand for the second time in as many days for Manager Bo Palica's Torrance nine by smashing a tiebreaking and game-winning homer in the 5th inning as the locals made it two cliff-hanging victories in a row.

CAREY HUBERT

Hubert, a 15-year-old all-around athlete from North High, broke up a 3-3 pitcher's duel with his two-run producing poke which sailed on a line over a house in centerfield.

ALTHOUGH he only pitched to three batters — striking out all three — Carey was the pitcher of record when his team went ahead for good so he also notched his second tourney mound triumph. Hubert struck out 16 Sportsman Park batters in a 2-1 first game win.

While Torrance was squeaking past the Rosemead 13, 14 and 15-year-old all-stars, South had its second easy time of it in waiting to a 14-0 romp in an abbreviated four-inning skirmish which ended when Monterey Park pulled up stakes and went home with South still on its merry-go-round in the 4th.

Manager Ed Bell's aggregation added insult to injury for the losers as winning pitcher Eric Spellman tossed no-hit, no-run ball for the four innings he worked.

Eric, who'll be a 10th grader at South High this fall, struck out 11 batters and didn't walk anybody.

EIGHT OF THE 10 South players who saw action managed to score at least one run. Randy Newell led the way by denting the dish three times after going 3-for-3, including a home run and a base on balls. Bob Gates also went 3-for-3. Spellman helped his own cause with two hits.

South got a win in the first round of the double elimination type tournament the easy way — via the forfeit route.

If South can knock off Coachella Tuesday night at 7:30 at Prairie Park in Hawthorne, they'll probably tiff Torrance on Thursday for the tourney title.

THAT IS, if Torrance can get past its Monday night foe at the same prairie diamond. The locals will face either Burbank or Glendale all-stars beginning at 7:30 with Hubert slated to draw the starting pitching assignment.

Spellman is due to toss for South in its semi-final round test on Tuesday.

REDFISH is completely gone in Redondo. Traces, although insignificant, were in process of disappearing last week.

Size-wise, some yellows are running 18 and 20 pounds. Heavier halibut have hit the area this past week, also, ranging from 18 to 24 pounds. Sunday Eddie Nolan of Hawthorne brought in one weighing 38 pounds.

REPORTS indicate that sportfisher passengers aboard the landing's "bottom fish special," the half-day boat "G.W.," consistently have been making limit catches of rock cod, gopher cod, and other bottom fish on afternoon outings. This special run was discontinued two weeks ago by popular demand.

"Bottom fish special" leaves daily from the landing at 12:45 p.m. It's a five to 10 mile run and lasts five or six hours on the average.
